Ink × Amber — six mixes

§ V3 · 2026-04-20

Row A keeps the ink-blue family, varying temperature and display face. Row B keeps the amber family with wider grotesques (Archivo Narrow was too condensed). All six share the system: mono only in UI, AS monogram, flourish in lower right.

ID	BACKGROUND	SIGNAL	DISPLAY FACE	CHARACTER
A1	#0a1420 cold ink	#77aaee soft cyan	Space Grotesk	geometric with personality
A2	#0e1620 warm ink	#9fc3e8 pale steel	Inter Tight	neutral, tight, engineered
A3	#0b131c cool slate	#6ea3d6 dim cyan	Hanken Grotesk	soft humanist, calm
B1	#121210 charcoal	#ffb46b amber	Space Grotesk	same face, warm mood
B2	#141110 warm coal	#f5936a coral-peach	Manrope	rounder, friendlier
B3	#181715 graphite	#d4a16a aged brass	Archivo reg.	architectural, normal width

Row A — ink family

Three palettes × three display faces. A1 is last round's §A for reference; A2 warms the base with Inter Tight; A3 cools and desaturates with Hanken Grotesk.

§A1 · Ink + Space Grotesk — Deep ink-blue · soft cyan · Space Grotesk · Lissajous

§01 — ADVISORY · AI SYSTEMS & ORG DESIGN

I help teams build AI systems that survive contact with reality.

Cross-disciplinary practice at the intersection of agent design, product ownership, and management thinking. Twenty years of operating — five of them deep in AI systems.

Row B — amber family

All three widen the face vs last round's Archivo Narrow. B1 applies Space Grotesk to amber. B2 shifts signal toward coral/peach with Manrope. B3 desaturates to aged brass with Archivo at regular width.

§B1 · Amber + Space Grotesk — Charcoal · amber signal · Space Grotesk · spectral

§01 —— ADVISORY · AI SYSTEMS & ORG DESIGN

I help teams build AI systems that survive contact with reality.

Cross-disciplinary practice at the intersection of agent design, product ownership, and management thinking. Twenty years of operating — five of them deep in AI systems.
